### Projects

#### Freelancing Website - Visa Scout LLC | [link](#)

I developed the front end of **VisaScout LLC**, a visa consultancy website, using **React**. I also designed the logo, brochure, and letterhead in **Photoshop**. The website features a responsive layout, smooth navigation, and a user-friendly interface to showcase services effectively.

#### Modern Animated Portfolio | [link](#)

I developed a modern animated portfolio to showcase my skills, certificates, experience and projects. The portfolio features smooth animations, responsive design, and intuitive navigation, providing an engaging user experience.
